Letter No. 6656 dated 13th February 1915

from the President, Municipal Commission, Cantonment of Khuyelan

SUBJECT.

Maintenance of the road between the two K.T.A. batteries in the Cantonment of Khuyelan

The road in question is not among those military roads the maintenance of which has been transferred to the Municipal Commission on payment of a special annual contribution. It appears to have all along been maintained by the military themselves, but as it is more used by civil than military traffic, the Municipal Commission have agreed to take up its maintenance on payment by the military of Rs 50/- per annum.

2. As the D.G.T. military works has enquired whether this arrangement is endorsed by the Resident, a reply may, if approved, be sent that there is no objection.

Draft submitted for approval.

President, Municipal Commission,

To

P.B.Warburton, Esquire, I.C.S.,
First Assistant to the Hon'ble
the Resident in Mysore, Bangalore.

SIR,

I have the honor to state that in May 1914, the Assistant Commanding Royal Engineer brought to notice that the road between the two R.F.A. batteries connecting Lower Agram Road and Old Race Course Road was more used by Civil than Military traffic as it was a thoroughfare for the Dumlur brick carts; in the circumstances the Assistant Commanding Royal Engineer enquired if the road could be treated as a Municipal Road half the cost of the maintenance being borne by the Military Department - the payment being an addition to the annual contribution for Military Roads.

R.C. office M 140/14.

2. The Municipal Commission on the 25th June 1914 approved the proposal; in passing on this resolution to the Commanding Royal Engineer, 9th (Sec'bad) Division, the Assistant Commanding Royal Engineer asked that necessary sanction may be obtained to the payment of an additional sum of Rs.50/- to the Municipality.

3. The Director-General of Military Works in his letter dated the 15th January 1915, to the General Officer Commanding, 9th Division, enquires if the consent of the Municipality to maintain the road in question is endorsed by the Hon'ble the Resident in Mysore.

4.

I have the honor therefore to request the confirmation of the Hon'ble the Resident of the proceedings of the Commission cited above, approving of the annual payment of a sum of Rs.100/- on the maintenance of the road in question, a moiety of that sum being borne by the Military Department.

I have the honor to be,

Sir,

Your most obedient servant,

President, Municipal Commission,
